

# INVITATION

## 3-Day Training in Measurement Technology by Beckhoff Automation

### Dear customer

We are delighted to extend to you an exclusive invitation to participate in a comprehensive 3-day training program focused on Measurement Technology, presented by Beckhoff Automation.

### Event Details:

- Dates: May 28, 29 and 30
- Time: 9.00-16.00
- Location: Beckhoff Automation, Birkemose Allé 1, Kolding

### Why Attend

By participating in this training, you will gain valuable insights into the latest advancements in measurement technology, equipping you with the skills needed to tackle real-world challenges and drive innovation in your projects.

## Training Highlights:

- Gain in-depth knowledge of measurement principles and techniques.
- Explore cutting-edge technologies in measurement automation.
- Hands-on experience with Beckhoff's state-of-the-art equipment.
- Learn from industry experts and network with professionals in the field.
- Familiarize yourself with Beckhoff's featured products and technologies, including:
  - TwinCAT Condition Monitoring Library
  - TwinCAT-Products for MATLAB®/Simulink® and NI™ LabVIEW
  - ELM3xxx Measurement terminals
  - TwinCAT 3.1 XAE Engineering-System
  - TwinCAT 3 Measurement (ScopeView, Analytics)

## Agenda:

Day 1: Introduction to Measurement Technology Fundamentals

Day 2: Practical Applications and Case Studies

Day 3: Advanced Techniques and Future Trends

Don't miss this opportunity to expand your knowledge and expertise in measurement technology with Beckhoff Automation. We look forward to welcoming you to this enriching learning experience.

Warm regards  
Team Beckhoff

Registration: To secure your spot in this exclusive training program, please RSVP by 01.05.2024 to Vivian Møllegård, [v.mollegard@beckhoff.com](mailto:v.mollegard@beckhoff.com). Seats are limited, so early registration is highly recommended. **Registration Fee:** Total fee for all 3 days is DKK6.600 per person incl. catering.
